Tender for Soundproof Live Online Classroom with Digital Board and Editing Setup

Tender No.: 03/2025

Date: 10 June 2025

Issued by: Registrar, Nalanda Open University, Nalanda-803111, Bihar

1. Introduction:

Nalanda Open University invites sealed tenders from experienced and eligible vendors/organizations for the **design, supply, installation, and commissioning of a Soundproof Live Online Classroom Setup** with Digital Board and Video Editing Studio at its main campus in Nalanda, Bihar. The setup will facilitate high-quality online teaching, live broadcasting, and content creation for digital learning platforms.

2. Scope of Work:

The selected vendor shall be responsible for:

- **Construction of a fully soundproof and acoustically treated live classroom studio**

- Supply and installation of:

- **Smart/Digital Interactive Board**

- **Professional-grade Camera(s)** for live streaming and recording

- **Audio setup** including wireless microphones, audio interface, mixers

- **Lighting system** suitable for indoor studio environment

- **High-speed networking and broadcasting infrastructure**

- Setup of:

- **Online broadcasting system** for YouTube Live, Facebook Live, and university's LMS

- **Editing suite** with industry-standard software and hardware

- **Content packaging and archiving system**

- Integration with university's digital and academic infrastructure

- Complete **training** of staff and post-installation support **with 12 months Online Support**

3. Eligibility Criteria:

Applicants must submit documentary evidence for the following:

Clause A:

The applicant **must have prior experience in setting up soundproof live classrooms with digital board and editing setup for recognized universities, colleges & Schools**. Work orders or completion certificates, any one of these must be attached.

Clause B:

The applicant **must have extensive experience in online broadcasting setups** including integration with platforms like **YouTube, Facebook, Zoom, and LMS portals** for educational institutions.

Clause C:

The applicant should have **proven expertise in managing YouTube and social media platforms** for content dissemination, including knowledge of streaming, analytics, and SEO optimization for educational content.

Clause D:

The applicant must have successfully handled **multimedia content development projects for educational or government institutions**, including video production, scriptwriting, voice-over, motion graphics, and final packaging.

Clause E:

The applicant must demonstrate **in-depth experience in acoustic design and soundproofing**, with at least 1 completed soundproof studio/classroom projects in reputed institutions.

Clause F:

Applicant should have expertise in **video editing, post-production, and packaging of educational videos** including motion titles, subtitles, audio mastering, and export to required formats.

- 4. Bid Submission from** : 10 June 2025 at 12.00
• Last Date for Submission : 25th June 2025 at 5:00 PM
• Mode of Submission : Offline (Registered Post)

To:

The Registrar
